Water District

Spring runoff has begun. We are seeing a bit of discoloration in the water we draw from the river. This is called turbidity and is normal for this time of year. The discolored water is safe to use and will clear up in a couple of weeks or so.

Our next meeting is **May 22nd** at the Fire Station Community room. To be included on the next agenda, call Gabi at 823-5345. Please visit our website at www.pswd.com to see the District's Rules and Regulations, covenants, and other necessary information.

Pinewood Spring Fire Station and Community Center

For more information about meeting times, please access the Fire District's website at pinewoodspringsfire.org.

Road District

The best and easiest method for contacting the Road Board is by email at RoadBoard@Pinewoods.us or by calling their voice-messaging service at (303) 895-3848. The Road Board has an app system that will improve the response to neighbors and residents of PWS by automatically texting to Road-Board Members e-mail for any concerns and/or complaints about road conditions. Residents should know that they can contact the Road Board and their requests will be received right away. All board members are notified through either method insuring the quickest response.

Next meeting is **June 4th**, 6:00 p.m. at the Fire Station Community room.

Pinewood Springs Property Owners Association

There are plans being made for a spring cleanup day. PSPOA is planning on such in coordination with other Boards, so get your slash piles ready. More information in next month's Newsletter.

It's membership renewal time. June 1st is the beginning of our new fiscal year. It is also time to renew your membership with PSPOA. Dues are still only \$25.00 for the whole year. They pay for insurance on the Indian Tubs and Crescent Lake,

enroll you in the Propane Co-Op with either Amerigas or Polar Gas, and get your name on the email list for news in Pinewood. The propane companies have put a deadline to join by July 31st. If you have not paid your dues by then, your name will be dropped from their discount-customer list. Please see the enclosed form. Fill it out and drop it and your check made out to PSPOA in the water payment box. The next Board meeting is **May 15th**, 7:00 p.m. at the Fire Station Community room.
