Road District

Neighbors, as a reminder: please plan ahead for any trucks, deliveries etc. during the winter. We never know when a snow event will occur, and you should expect that the next few days our roads will be snow packed and possibly icy. We do not sand Pinewood roads, so be sure your trucking company knows this and has chains available. If you are renting a truck to move, be sure you have chains as well. As always, if you have any comments, questions or concerns, please contact us either through the Road Board email address – Roadboard@pinewoods.us, or via voice mail at (303) 895-3848
