We will be joined by Marvin of Bladeworks and we will be planning our budget for 2020, Spring & Summer. On another note, we are losing our Treasurer, Tommye Barnett, and are looking for her replacement. The requirements are fairly simple: Accounting background with the ability to prepare a Balance Sheet, Financial status and statement, and control of the billings/invoices from Larimer CO, Bladeworks & our Road Crew. If anyone is interested, they are welcome to attend the Tuesday, 2/11, Road Board meeting. This IS a volunteer position requiring bi-monthly attendance and service for at least 2 years.

If new road work needs to be done, please contact the members of the Road Board:

After many years of sharing a website with the Water District, the PSPOA is announcing our own new website. Coming soon...new resident handbook.

We are in need of two Board members. If you can volunteer a couple of hours a month and attend monthly meetings on the 3<sup>rd</sup> Wednesday of each month, please attend our next meeting on the 19<sup>th</sup> or contact one of our current Board members.

HWY 36 Milepost 8 Project. CDOT will be repairing flood damaged culverts just above the Lyons Gulch Trailhead. This will necessitate a one lane road and some road closures on HWY 36. For more information, please access the following web page: <https://www.codot.gov/projects/floodrelatedprojects/completed-projects/us-36-lyons-to-estes>. A community meeting will be held soon. Watch for more details.
