Water District

Because of Thanksgiving and the early certification of the mil levy for next year, our November and December meetings will be changed from the usual 4th Wednesday of the month to the third week of November (possibly the 21st) and the second week of December, (around the 10th). We will announce definite dates next month.

The Water District would like to thank resident Mike Therrien for his generous donation of 4 metal bookshelves to be used at the water treatment facility.

Our next meeting is **Wednesday, October 23rd, 7:00 pm** at the Fire Station Community room. To be included on the next agenda, call Gabi at 823-5345. Please visit our website at www.pswd.com to view the District's Rules & Regulations and other interesting information.

Pinewood Spring Fire Station & Community Center

Firefighters are still encouraging residents to purchase a reflective green address sign from the PSPOA. It certainly makes finding your house in the dark in an emergency a lot easier. The cost has increased to \$10.00. To order, drop a check in the water drop slot at the bulletin board area with your information.

Next Fire Board meeting is **Wednesday, October 9th, 7:00 pm** at the Fire Station Community room. For more information please access the Fire District website at pinewoodspringsfire.org.

Road District

The PWS Road board will meet again on **Tuesday, October 1, 6:00 pm** at the Fire Station Community room. John Lorang will be in charge of the meeting in the absence of Charlie Pease.

If there is new work to be done, please contact the members of the Road Board:

- Charlie Pease; Road Board chair @ (303-828-8302 or cpease007@gmail.com)
- John Lorang; Road Supervisor @ (303-823-3114 or johnlorang@gmail.com)
