DISTRICT COURT, WATER DIVISION 1, COLORADO Court Address: 901 Ninth Avenue, Greeley, Colorado 80631 Mailing Address: PO Box 2038, Greeley, CO 80632	
IN THE MATTER OF PINEWOOD SPRINGS WATER DISTRICT IN LARIMER COUNTY, COLORADO	DATE FILED September 8, 2025 1:48 PM CASE NUMBER: 2018CW3173 CASE NO.: 2018CW3173 (10CW290)

NOTICE OF DEADLINE FOR FILING FOR FINDINGS OF REASONABLE DILIGENCE

Please take notice that an application for finding of reasonable diligence or to make absolute must be filed in this case by the deadline noted below. This deadline was set when the decree was entered in this case. The court **does not** send a copy of this notice to applicant's counsel. It is the applicant's responsibility to provide a copy of this notice to counsel.

An Application for Finding of Reasonable Diligence or To Make Absolute must be filed with the water court during the month of **NOVEMBER 2025**, as stated in the case referred to above. The court will not accept applications filed earlier than the month they are due. The form for an application for finding of reasonable diligence or to make absolute is **Form JDF 300W.** This form is available on the State Courts Website, http://www.courts.state.co.us. Please fill out the form completely and legibly. A filing fee of $235.00 payable to "WCCC" must be included with the application.

Failure to timely file the application will result in abandonment of the conditional water right. No extensions of this deadline can or will be granted. If this water right has been transferred to another party, please notify the water court immediately at (970) 475-2507.
