There will be a **special public hearing** before the regularly scheduled meeting and will cover the PNA review for the Water Main Infrastructure Replacement Project. Pinewood Spring Fire Station & Community Center – pinewoodspringsfire.org

Tis the season for holiday fire-safety reminders: Keep flammable items (curtains, holiday decorations) at least 3 feet away from wood stoves, fireplaces, and candles (or consider using battery-operated candles). Do not overload electrical outlets and throw away light strands with frayed or pinched wires. Turn off, unplug, and extinguish all decorations before going to bed or leaving your home. Also, a dry Christmas tree is dangerous - be sure to water daily.

The next Fire Board meeting is scheduled for **Wednesday, December 13th at 7pm**. Contact Chief Ted Plank for zoom link information chief@pinewoodspringsfire.org.

The Road District - pinewoodspringsPOA.com

The Road Board is still waiting for their new members to be interviewed and approved by the County. At this time, it doesn't appear that it will happen in time for the Annual Resident Meeting on December 5, so that meeting of the Road Board has been cancelled.

The next scheduled meeting is February 6, 2024.

Please contact Joan @ 303-823-5937 or Martin at m.bolster@hotmail.com for road issues.
